Bouquet (poinsettia)

We've created a colorful bouquet of poinsettias, winter-blooming plants known as "The Christmas Flower" in the U.S. and Europe. After assembling the flowers, leaves and ribbons, the resulting bouquet functions as a festive decoration. The vivid contrast of red and green makes these lovely paper flowers a beautiful addition to the Christmas season.

* This model was designed for Papercraft and may differ from the original in some respects.

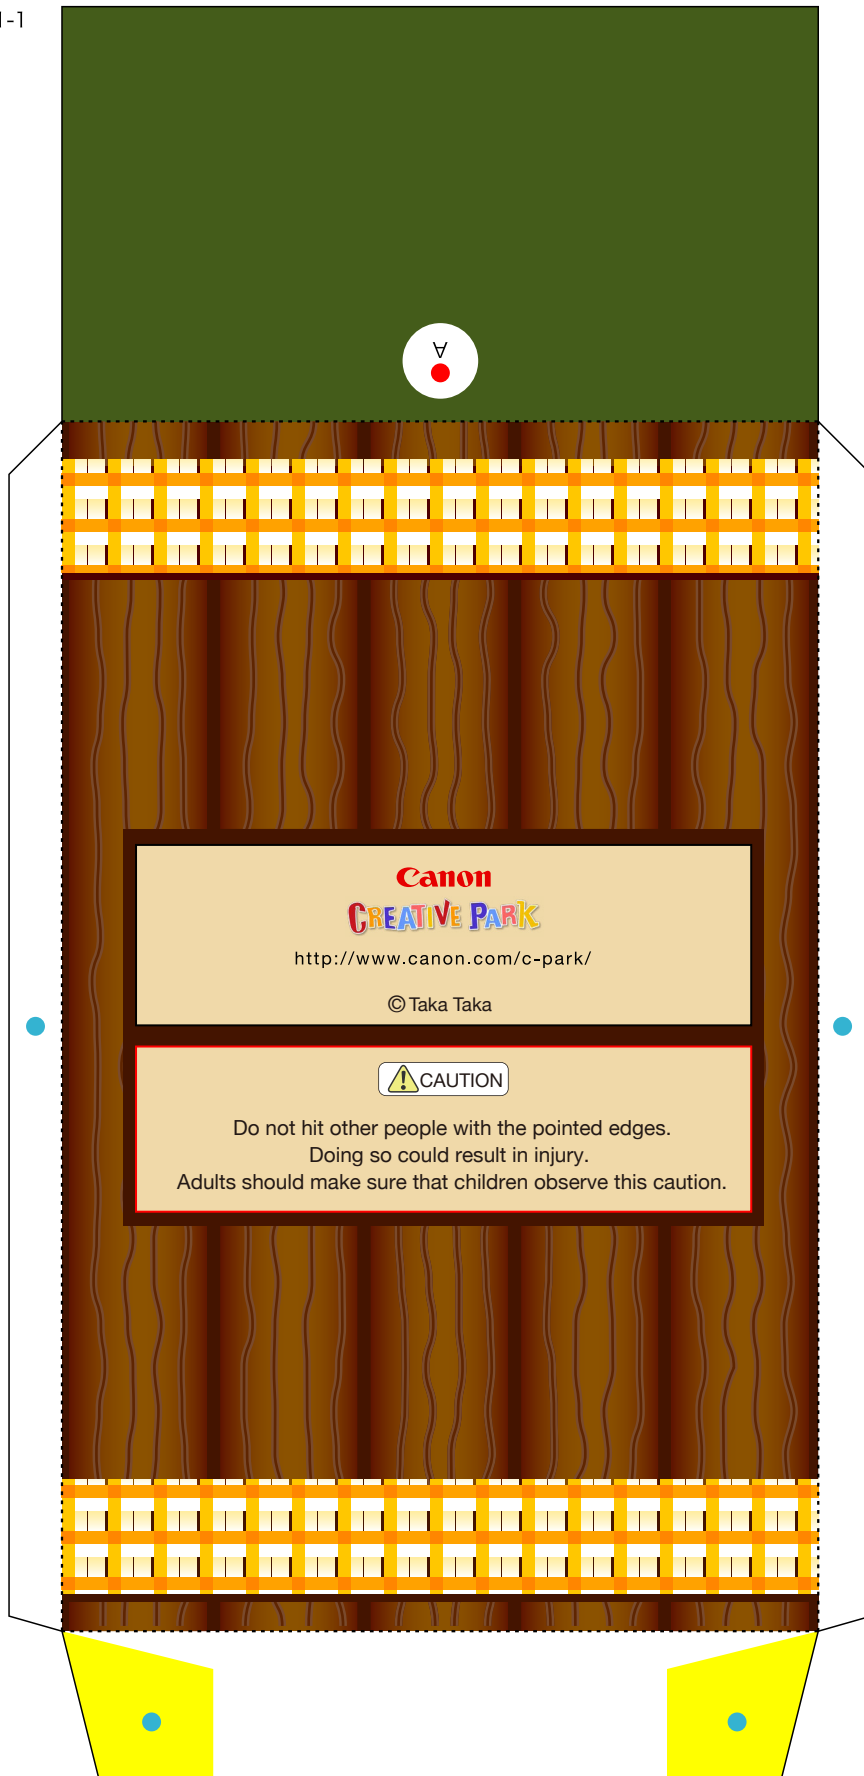

■ Parts list (pattern): Twenty four A4 sheets (No. 1 to No. 24)

■ No. of Parts: 107

* Build the model by carefully reading the Assembly Instructions, in the parts sheet page order.
